"It was very
eye-opening for the
possibilities for Bulk Solids
& Powder options. **Storage,
Transporting, Trouble-
shooting**, it was all that we
were looking for."

"Is a great way
to **network**, keep up on
the state of the art, **find new
technologies and vendors**,
and the conference sessions
are fantastic learning
opportunities!"

"Great
show and a unique
opportunity to have **all of
the principals and other
reps in the
same place.**"

Reserve your booth today at the International Powder & Bulk Solids Expo 2025
